CurlON has negotiated special packages with many suppliers that will include free and discounted items that will show to each member the value of their \$ 19.95 membership. A major prize of a trip for two to the 2019 Men's Tankard and Women's Scotties including hotel rooms, tickets and spending money will be drawn mid-January. Each month a supplier package will also be drawn from all registrants.

The entire CurlON team looks forward to continue working with you to benefit your Affiliated Curling Club and your members/participants.

Good Curling this season,

Stephen Chenier
Executive Director
